SCHOOL FEES

NAME OF LEARNER: _____ GRADE: _____

It has been explained and I fully understand that Boston Private School is a private, independent fee paying school that receives no form of grant or subsidy and therefore relies totally on the collection of school fees to cover its salaries and all other running costs and that Boston Private is not in a position to offer financial assistance. It has been explained and is understood that all school fees are levied as annual fees. Allowing parents to pay-off those fees in quarterly or monthly instalments is allowed, only in an effort to assist working families.

I, hereby, agree to pay the school fees as follows for any education received at Boston Private School:

- (a) a lump sum on _____
- (b) monthly in **advance** before/on the 3rd day of every month.

I understand that my child will only be entitled to education if school fees are settled in full and on time and that it is me who deprives my child of an education if school fees fall in arrears. I accept that my child will be excluded from school should school fees be outstanding. I furthermore understand that an interest of 2% above the prevailing bank overdraft rate will be charged on all outstanding and overdue amounts.

I understand and accept that one terms notice must be given to the school in writing should I wish to withdraw my child from Boston Private School.

POLICY REGARDING SCHOOL FEES

It is in the interest of your child that school fees are settled in advance either annually, quarterly or on a monthly basis. The school fees are carefully administered by the Board of the school.

School fees may be settled as follows:

- (a) cash
- (b) EFT or bank transfer
- (c) by debit order

School fees must be settled in advance on or before the **third day** of every month.

If outstanding school fees accrue the learner will be **suspended from school** on the first Monday after school fees became due. Interest equivalent to the prevailing bank overdraft rates will be charged on all outstanding balances. Unfortunately, no progress reports will be issued where school fee accounts have not been settled in full. Fees for Gr. 12 learners must be paid over 10 months in advance and be completed by October of the Gr. 12 year.

After two months of school fees in arrears the learner can be permanently excluded, and the account will be handed to an attorney for **debt collection** and the normal procedure for debt collection will be followed. The parent/guardian will be responsible for any costs incurred in the process.

The parent/guardian will also be responsible for the costs in terms of **insufficient funds** in his/her bank account.

An official school receipt must be obtained when any payment is made at the school bursar's office.

A receipt will be issued when the money is handed to the principal/secretary.

Boston Private School accepts **no responsibility** if the money is lost by the learner.
